

Department of Financial Services
City of Frisco, Texas

Memorandum

To: Honorable Mayor Maso and City Council Members

Thru: George Purefoy, City Manager
Nell Lange, Assistant City Manager

From: Tom Johnston, Purchasing Manager
Anita Cothran, Director of Financial Services

Date: November 6, 2008

Subject: Consider and Act Upon Award of RFP #0809-079, GIS Software for Emergency Responses to GeoComm, and Approval of a Resolution Authorizing the City Manager to Execute an Agreement for this Software.

Action Requested: City Council award of RFP #0809-079, GIS Software for Emergency Responses to GeoComm, and approval of a resolution authorizing the City Manager to execute an agreement for this software, in the amount of \$201,796.

Background Information: Purchasing solicited RFP #0809-079, GIS Software for Emergency Responses and received one proposal from GeoComm. A committee of IT Staff evaluated the proposal submitted. While the City of Frisco was going through the RFP process, GeoComm was awarded a contract through the State of Texas Department of Information Resources (DIR) for the software they are proposing to the City of Frisco. GeoComm's response to the City of Frisco's RFP #0809-079 offers a 2% discount below their awarded contract with the DIR. Staff is recommending award of RFP #0809-079 to GeoComm.

Board/ Citizen Input: N/A

Alternatives: City Council could choose not to award at this time.

Financial Considerations: Funding for this is available through an interlocal agreement with Frisco ISD.

Legal Review: Claire Swann of Abernathy, Roeder, Boyd & Joplin has reviewed the agreement and approved its form.

Supporting Documents: Department memo, resolution, and agreement
